Trust the diamonds

Whether it's warranty coverage that gives homeowners peace of mind or technology that makes their roof look and perform its best, there's a GAF diamond badge behind it.

	Install any GAF Lifetime Shingle and get a Lifetime[†] Limited Warranty on your qualifying shingle. Install any GAF Lifetime Shingle and at least 3 qualifying GAF Accessories, and get a Lifetime[†] Limited Warranty on your qualifying GAF products.
	GAF Advanced Protection[®] Shingle Technology uses highly advanced design and manufacturing techniques to produce cutting-edge roofing products.
	Dura Grip[™] Adhesive helps protect your roof investment from winds and wind-driven rain.
	StainGuard Plus[™] Algae Protection¹ featuring Time-Release Technology is a 25-year limited warranty against blue-green algae discoloration.
	StainGuard[®] Algae Protection² is a 10-year limited warranty against blue-green algae discoloration.
	LayerLock[™] Technology is a proprietary technology which mechanically fuses the common bond between overlapping shingle layers.
	WindProven[™] Limited Wind Warranty³ is a 15-year limited wind warranty with no maximum wind speed limitation — available when you install the LayerLock [™] -labeled Shingles as well as GAF starter strips, roof deck protection, ridge cap shingles, and leak barrier or attic ventilation.
	25-Year Limited Warranty Term⁴ gives homeowners protection they can trust.

[†] Lifetime refers to the length of warranty coverage provided and means as long as the original individual owner(s) of a single-family detached residence [or eligible second owner(s)] owns the property where the qualifying GAF products are installed. For other owners/structures, Lifetime coverage is not applicable. For Lifetime coverage on shingles only see *GAF Shingle & Accessory Limited Warranty* for complete coverage and restrictions. For Lifetime coverage on shingles and accessories see *GAF Roofing System Limited Warranty* for complete coverage and restrictions. For installations not eligible for the *GAF Roofing System Limited Warranty*, see the *GAF Shingle & Accessory Limited Warranty*. Visit gaf.com/LRS for qualifying GAF products.

¹ StainGuard Plus[™] Time-Release Technology is available only on Shingles sold in packages bearing the StainGuard Plus[™] logo. Products with StainGuard Plus[™] Time-Release Technology are covered by a 25-year limited warranty against blue-green algae discoloration. See *GAF Shingle & Accessory Limited Warranty* for complete coverage and restrictions.

² StainGuard[®] algae protection is available only on shingles sold in packages bearing the StainGuard[®] logo. Products with StainGuard[®] algae protection are covered by a 10-year limited warranty against blue-green algae discoloration. See *GAF Shingle & Accessory Limited Warranty* for complete coverage and restrictions.

³ For installations not eligible for the *GAF Roofing System Limited Warranty*, see the *GAF Shingle and Accessory Limited Warranty* for complete coverage and restrictions. Visit gaf.com/LRS for qualifying GAF products.

⁴ See *GAF Shingle & Accessory Limited Warranty* for complete coverage and restrictions.

Trust the system that's built to protect

A roof is so much more than shingles. It's layers of protection, working together to help keep your home safe from wind, rain, snow, and even sun.

Install any GAF Lifetime[†] Shingle and at least 3 qualifying GAF Accessories and get a Lifetime[†] limited warranty on your qualifying GAF products plus non-prorated coverage for the first 10 years. For even stronger coverage, ask your GAF factory-certified contractor¹ about enhanced GAF warranties.

Visit gaf.com/LRS for a list of qualifying GAF products.

[†] Lifetime refers to the length of warranty coverage provided and means as long as the original individual owner(s) of a single-family detached residence [or eligible second owner(s)] owns the property where the qualifying GAF products are installed. For other owners/structures, Lifetime coverage is not applicable. Lifetime coverage on shingles requires the use of GAF Lifetime Shingles only. Lifetime coverage on shingles and accessories requires the use of any GAF Lifetime Shingle and at least 3 qualifying GAF Accessories. See *GAF Roofing System Limited Warranty* for complete coverage and restrictions. Visit gaf.com/LRS for qualifying GAF products. For installations not eligible for the *GAF Roofing System Limited Warranty*, see the *GAF Shingle & Accessory Limited Warranty*.

¹ Contractors enrolled in GAF certification programs are not employees or agents of GAF, and GAF does not control or otherwise supervise these independent businesses. Contractors may receive benefits, such as loyalty rewards points and discounts on marketing tools from GAF for participating in the program and offering GAF enhanced warranties, which require the use of a minimum amount of GAF products.

Timberline® Lifetime[†] Shingles Collection

More homeowners in North America rely on Timberline® Shingles than any other brand. They offer just the right combination of beauty, performance, and reliability.

Timberline® HDZ™ pg 7–8		 	America's #1-selling shingle—now featuring the industry's widest nail zone
Timberline® UHD pg 7 & 9		 	For a thick ultra-dimensional wood-shake look in an asphalt shingle
Timberline® NS pg 10		 	The beauty of natural wood shakes in an asphalt shingle
Timberline® AH pg 11		 	The striking hues of America's heartland
Timberline® CS pg 11		 	Our most reflective shingle

For specifications see pages 20–21

For the full collection visit gaf.com/timberline

[†] 15-year WindProven™ limited wind warranty on GAF Shingles with LayerLock™ Technology requires the use of GAF starter strips, roof deck protection, ridge cap shingles, and leak barrier or attic ventilation. See GAF Roofing System Limited Warranty for complete coverage and restrictions. Visit gaf.com/LRS for qualifying GAF products.

Leak Barriers

Help prevent leaks caused by wind-driven rain and ice dams

StormGuard®

- Film-surfaced peel and stick underlayment for asphalt shingles and metal roofing
- Self-seals fasteners and helps protect vulnerable areas of the roof
- 250F high-temperature design. Meets or exceeds the performance criteria of ASTM D1970
- 2 Sq. (200 ft² [18.58 m²]) roll size - excludes laps

WeatherWatch®

- Mineral-surfaced peel and stick underlayment for asphalt shingles
- Self-seals fasteners and helps protect vulnerable areas of the roof
- Meets or exceeds the performance criteria of ASTM D1970
- 2 Sq. (200 ft² [18.58 m²]) & 1.5 Sq. (150 ft² [13.94 m²]) roll sizes - excludes laps

Leak Barrier Application Recommendations:

Strongly recommended around	Optional around	Required by code at ¹	Region ¹
1. Penetrations	5. Hips & rake edges	7. Eaves in colder zones <i>Recommended in warmer zones</i>	1. Colder zone
2. Skylights			
3. Valleys & dormers	6. Ridges		2. Warmer zone
4. Flashings & transitions			

¹ Always check local building codes for requirements in your area.

² To qualify for this coverage, must be installed with GAF Lifetime Shingles and at least 3 qualifying GAF Accessories. See GAF.com/LRS for qualifying products and see GAF Roofing System Limited Warranty for complete coverage and restrictions.

For the full collection visit gaf.com/leakbarriers

Roof Deck Protection

Helps shield the roof deck from moisture infiltration

DeckArmor™

- Premium breathable synthetic underlayment for asphalt shingles and other roof systems
- Nom. 16 perms, high-traction surface helps resist tears
- 48" x 250' (1.22 m x 76.2 m); 10 Sq. (1,000 ft² [92.9 m²]) roll size - excludes laps

Tiger Paw™

- Premium synthetic underlayment for asphalt shingles and other roof systems
- High-traction surface helps resist tears, and deck side coating provides moisture control
- 48" x 250' (1.22 m x 76.2 m); 10 Sq. (1,000 ft² [92.9 m²]) roll size - excludes laps

FeltBuster®

- High-traction synthetic underlayment for asphalt shingles
- Value-priced, high-traction surface helps resist tearing
- 48" x 250' (1.22 m x 76.2 m); 10 Sq. (1,000 ft² [92.9 m²]) roll size - excludes laps

Shingle-Mate™

- Fiberglass-reinforced underlayment for asphalt shingles
- Fiberglass reinforcement lays flat and helps prevent telegraphing through shingles
- 36" x 144' (9.14 m x 43.89 m); 4 Sq. (432 ft² [40.13 m²]) roll size - excludes laps

Specialty Underlayment

VersaShield®

- Fiberglass-reinforced fire-resistant underlayment for asphalt shingles, metal, wood, and other roof systems
- Helps upgrade the UL Fire Rating of many roofing systems (always see the UL Certification Directory) and helps resist dangerous flame spread
- 42" x 100' (1.07 m x 30.48 m); 3.5 Sq. (350 ft² [32.5 m²]) roll size - excludes laps

¹ To qualify for this coverage, must be installed with GAF Lifetime Shingles and at least 3 qualifying GAF Accessories. See GAF.com/LRS for qualifying products and see GAF Roofing System Limited Warranty for complete coverage and restrictions.
